# GUIDE TO USE THE EXCEL SHEET FOR CALCULATION

Figure 1: To Calculate Compensation for SAE of Death

The Age of patient will be obtained

(Example 1: 16 years as given in Cell A10 of Excel sheet for "Death Compensation)

↓

According to Workmen Compensation Act, "F" is obtained

(Example 1: As given in cell C10 i.e., 228.54 of Excel sheet for "Death Compensation")

↓

Obtain Risk factor depending on the seriousness and severity of the disease, presence of co-morbidity and duration of disease of the subject at the time of enrolment in the clinical trial

(Example 1: as given in cell D10 of Excel sheet for "Death Compensation" i.e., 2)

↓

Insert your values of F and R in respective cells i.e., in C10 and D10 respectively in Excel Sheet for "Death Compensation"

↓

Compensation will be calculated and will appear in Cell B12

(Example 1: As given 3679822.88)

Figure 2: To Calculate Compensation for SAE other than Death (permanent Disability)

The Age of patient will be obtained

(Example 1: 16 years as given in Cell A10 of Excel sheet for "Death Compensation")

According to Workmen Compensation Act, "F" is obtained

(Example 1: As given in cell C10 i.e., 228.54 of Excel sheet for "Death Compensation")

Obtain Risk factor depending on the seriousness and severity of the disease, presence of co-morbidity and duration of disease of the subject at the time of enrolment in the clinical trial

(Example 1: as given in cell D10 of Excel sheet for "Death Compensation" i.e., 2)

Insert your values of F and R in respective cells i.e., in C10 and D10 respectively in Excel Sheet for "Death Compensation"

Compensation will be calculated and will appear in Cell B12

(Example 1: As given 3679822.88)

Now come to Excel Sheet "Injury other than Death Comp"

Obtain the percentage of permanent disability

(Example 1: Cell B10 as 100% in Excel Sheet "Injury other than Death")

Insert the %age disability in Cell B10 in Excel Sheet "Injury other than Death"

The compensation will be calculated as in Cell B12
(Example1: Cell B12 i.e., 3311841 Excel Sheet "Injury other than Death")
